Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with a disability in any program receiving federal financial assistance. In order to fulfill obligations under Section 504, the Cardinal Community School District (CCSD) has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the programs and practices of the school system. The CCSD has the responsibilities under Section 504, which include the obligations to identify, evaluate and, if the student is determined to be eligible under Section 504, to afford access to appropriate educational services. If the parent or guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.

The Family Educational Rights and Privacy Act (FERPA) also specifies rights related to educational records. This Act gives the parent or guardian the right to: 1) inspect and review his/her child's educational records; 2) make copies of these records; 3) receive a list of the individuals having access to those records; 4) ask for an explanation of any item in the records; 5) ask for an amendment to any report on the grounds that it is inaccurate, misleading, or violates the child's rights; and 6) a hearing on the issue if the school refuses to make the amendment. If there are questions, please contact the building administrator or Michelle Edwards, Section 504 Contact Person for the Cardinal Community School District at 641-652-7531.

Harassment

Harassment of students and/or employees of the Cardinal School District will not be tolerated. The Cardinal School District includes school district facilities, premises, and non-school property if the employee or student is at any school-sponsored, school-approved, or school-related activity or function, such as field trips or athletic events where students are under the control of the school district or where the employee is engaged in school business.

Harassment includes, but is not limited to racial, religious, national origin, age, disability, and sexual harassment. Harassment by board members, administrators, employees, parents, students, vendors, and others doing business with the school district is prohibited. Employees and/or students who believe they have suffered harassment shall report such matters to the building principal or counselor who will refer the complaint(s) to the district's investigative officer (Michelle Edwards, 652-7531) or alternate investigative officer (Aimee Sivak, 652-7531).

Alleged Abuse of Students by School Employees

It is the policy of CCSD that employees not commit acts of physical or sexual abuse, including inappropriate and intentional sexual behavior toward students. Any school employee who commits such acts is subject to disciplinary sanctions. Allegations of abuse of students by school employees should be brought to the attention of Anne Morgan, Level 1 Investigators for the district or to Mark Miller, Wapello County Sheriff Department.
